5. User Registration

A web browser window displaying a user registration form. The browser's address bar is empty. The page has a navigation menu with links: Home, Signout, About, and Contact us. The main content area is titled "Registration" and contains a form with the following fields: Full Name (text input), Gender (radio buttons for Male and Female, with Male selected), Date Of Birth (text input), City (dropdown menu), District (dropdown menu), House Name (text input), Pin Code (text input), Phone number (text input), Email-id (text input), and Password (text input). A Submit button is located at the bottom of the form.

7. Book A Car

A screenshot of a web browser window displaying a form titled "Book A Car". The browser window has a title bar with standard minimize, maximize, and close buttons. The page has a navigation bar with links: Home, Signout, About, and Contact us. The form itself is centered and contains the following fields:

- Model: A text input field with a dropdown arrow.
- Fuel Type: A dropdown menu.
- Date From: A text input field.
- Date To: A text input field.
- Duration: A text input field.
- Driver: Two radio buttons labeled "Needed" (selected) and "Not Needed".
- Book: A button at the bottom of the form.

8. Add Car Details

A screenshot of a web browser window displaying a form titled "Add Car Details". The browser window has a title bar with standard minimize, maximize, and close buttons. The page has a navigation bar with links: Home, Signout, About, and Contact us. The form itself is centered and contains the following fields:

- Model: A text input field.
- Fuel Type: A dropdown menu.
- Seats: A text input field.
- A/c: Two radio buttons labeled "Yes" and "No" (selected).
- Mileage: A text input field.
- Amount: A text input field.
- Add: A button at the bottom of the form.
